

**Lab#4 Create a static web page of your college which includes information regarding Vision, Mission, Program specific outcomes, Courses Offered, Image gallery of events, Top Recruiters using HTML and CSS.**

| TAGS USED       | DESCRIPTION                                                |
|-----------------|------------------------------------------------------------|
| <!DOCTYPE html> | Declares the document as an HTML5 document.                |
| <html>          | Root element of the HTML document.                         |
| <head>          | Contains metadata and information about the HTML document. |
| <meta>          | Defines metadata for the HTML document.                    |
| <link>          | Links an external CSS file to the HTML document.           |
| <title>         | Specifies the title shown in the browser tab.              |
| <body>          | Contains all visible content of the webpage.               |
| <header>        | Defines the header section of the webpage.                 |
| <h1>            | Defines the main heading.                                  |
| <h2>            | Defines a secondary heading.                               |
| <nav>           | Defines the navigation section.                            |
| <a>             | Defines hyperlinks to different sections of the webpage.   |
| <main>          | Defines the main content of the webpage.                   |
| <section>       | Defines separate sections of content.                      |
| <h3>            | Defines section headings.                                  |
| <p>             | Defines a paragraph.                                       |
| <ul>            | Defines an unordered (bulleted) list.                      |
| <ol>            | Defines an ordered (numbered) list.                        |
| <li>            | Defines an item in a list.                                 |
| <footer>        | Defines the footer section of the webpage.                 |

| ATTRIBUTES USED                                 | TAG       | DESCRIPTION                                             |
|-------------------------------------------------|-----------|---------------------------------------------------------|
| lang="en"                                       | <html>    | Specifies that the language of the document is English. |
| charset="UTF-8"                                 | <meta>    | Specifies UTF-8 character encoding.                     |
| name="viewport"                                 | <meta>    | Defines viewport settings for responsive webpages.      |
| content="width=device-width, initial-scale=1.0" | <meta>    | Makes the webpage responsive on different screen sizes. |
| rel="stylesheet"                                | <link>    | Specifies that the linked file is a stylesheet.         |
| href="style.css"                                | <link>    | Specifies the path of the external CSS file.            |
| href="#vision"                                  | <a>       | Links to the Vision section.                            |
| href="#mission"                                 | <a>       | Links to the Mission section.                           |
| href="#pso"                                     | <a>       | Links to the PSOs section.                              |
| href="#courses"                                 | <a>       | Links to the Courses section.                           |
| href="#recruiters"                              | <a>       | Links to the Recruiters section.                        |
| id="vision"                                     | <section> | Gives the Vision section a unique identifier.           |
| id="mission"                                    | <section> | Gives the Mission section a unique identifier.          |
| id="pso"                                        | <section> | Gives the PSOs section a unique identifier.             |
| id="courses"                                    | <section> | Gives the Courses section a unique identifier.          |
| id="recruiters"                                 | <section> | Gives the Recruiters section a unique identifier.       |

## Final Outcome:
